

ABOUT NEWTONS

The aim of this International Conference (NEWTONS - 2018) is to bring together Engineers, Scientists, Academicians, Research scholars and Students to present their recent research and share new ideas, experiences, practical challenges faced and the solutions implemented in all aspects concerning the field of Applied Sciences, Engineering and Technology.

The conference will provide the opportunity for developing interaction with academia from various institutions of higher academic standards as well as the practicing people from renowned industries.

This will primarily open opportunities for the Institutes to collaborate with other Universities as well as Industries.

ABOUT TECH COUNSELLOR

Tech Counsellor | Research and Consultancy based firm with an experienced team of Engineers and Professionals providing its services in the field of Engineering, Academics, Research, Website Development, and Publication.

Founded in Sept 2013, Tech Counsellor provides Knowledge Based Engineering (KBE) services, enabling customers to radically minimize their product development lifecycle in the domain of IoT, Embedded and on core engineering & environment domain.
